

## U15 | DR FRIEDERIKE SCHROEDER, MANAGING DIRECTOR

© German U15 / Ina Schoenenburg

**Dr Friederike Schroeder** is Managing Director at German U15, the association of fifteen leading, research-intensive universities in Germany.

She has extensive experience at the intersection of academia, research management and higher education policy, and brings a broad network within the German and international academic and higher education management communities. Since 2023, Schröder has served as Deputy Managing Director and Head of International at U15. Prior to this, she was Head of Section of the DAAD Centre for International Academic Cooperation (KIWi). Schroeder studied geography, political sciences and environmental economics at the University of Goettingen, the National University of Singapore and the University of Hamburg. She holds a PhD in political geography from the University of Hamburg.
